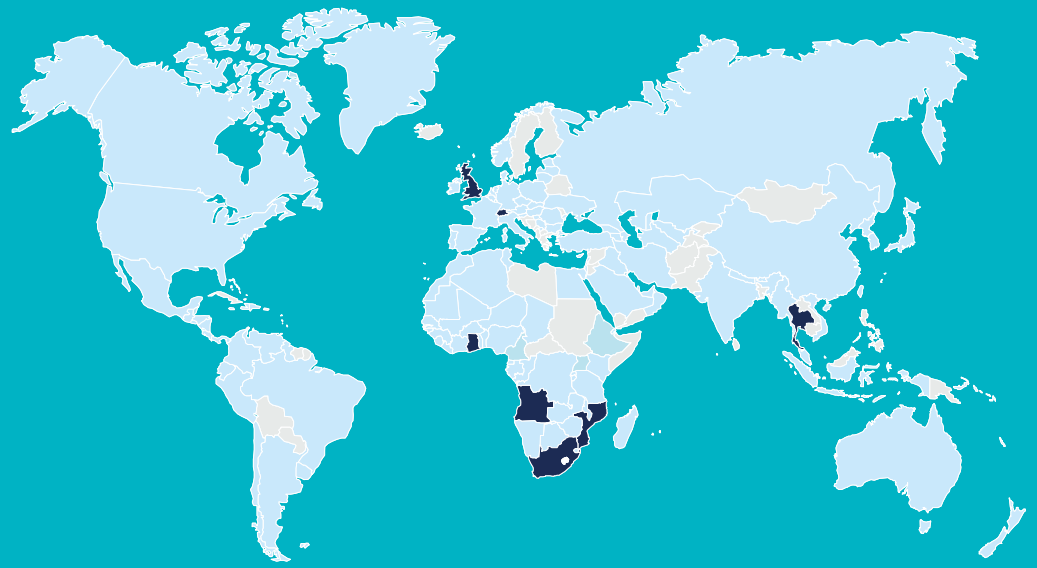
PARTNER AGENTS NETWORK

Strong global network through partner agents covering over 100 countries

AMT and its agents are committed to providing services at a level of excellence that exceeds every industry standards, at a competitive price.

We accomplish this by selecting agents with high standards of QHSE requirement which are reviewed every year, and by creating an environment that values the creation of a bond between AMT and its worldwide agents.

Joining forces, AMT and partners are in a position to handle turn-key projects solutions and supply customers with door-to-door services worldwide and ad-hoc solutions based on long term proven experience.



OUR CONTROL TOWER SOLUTION

The benefits to our clients
